EXTREME
HOMOGENEITY

EXTREME
HETEROGENEITY

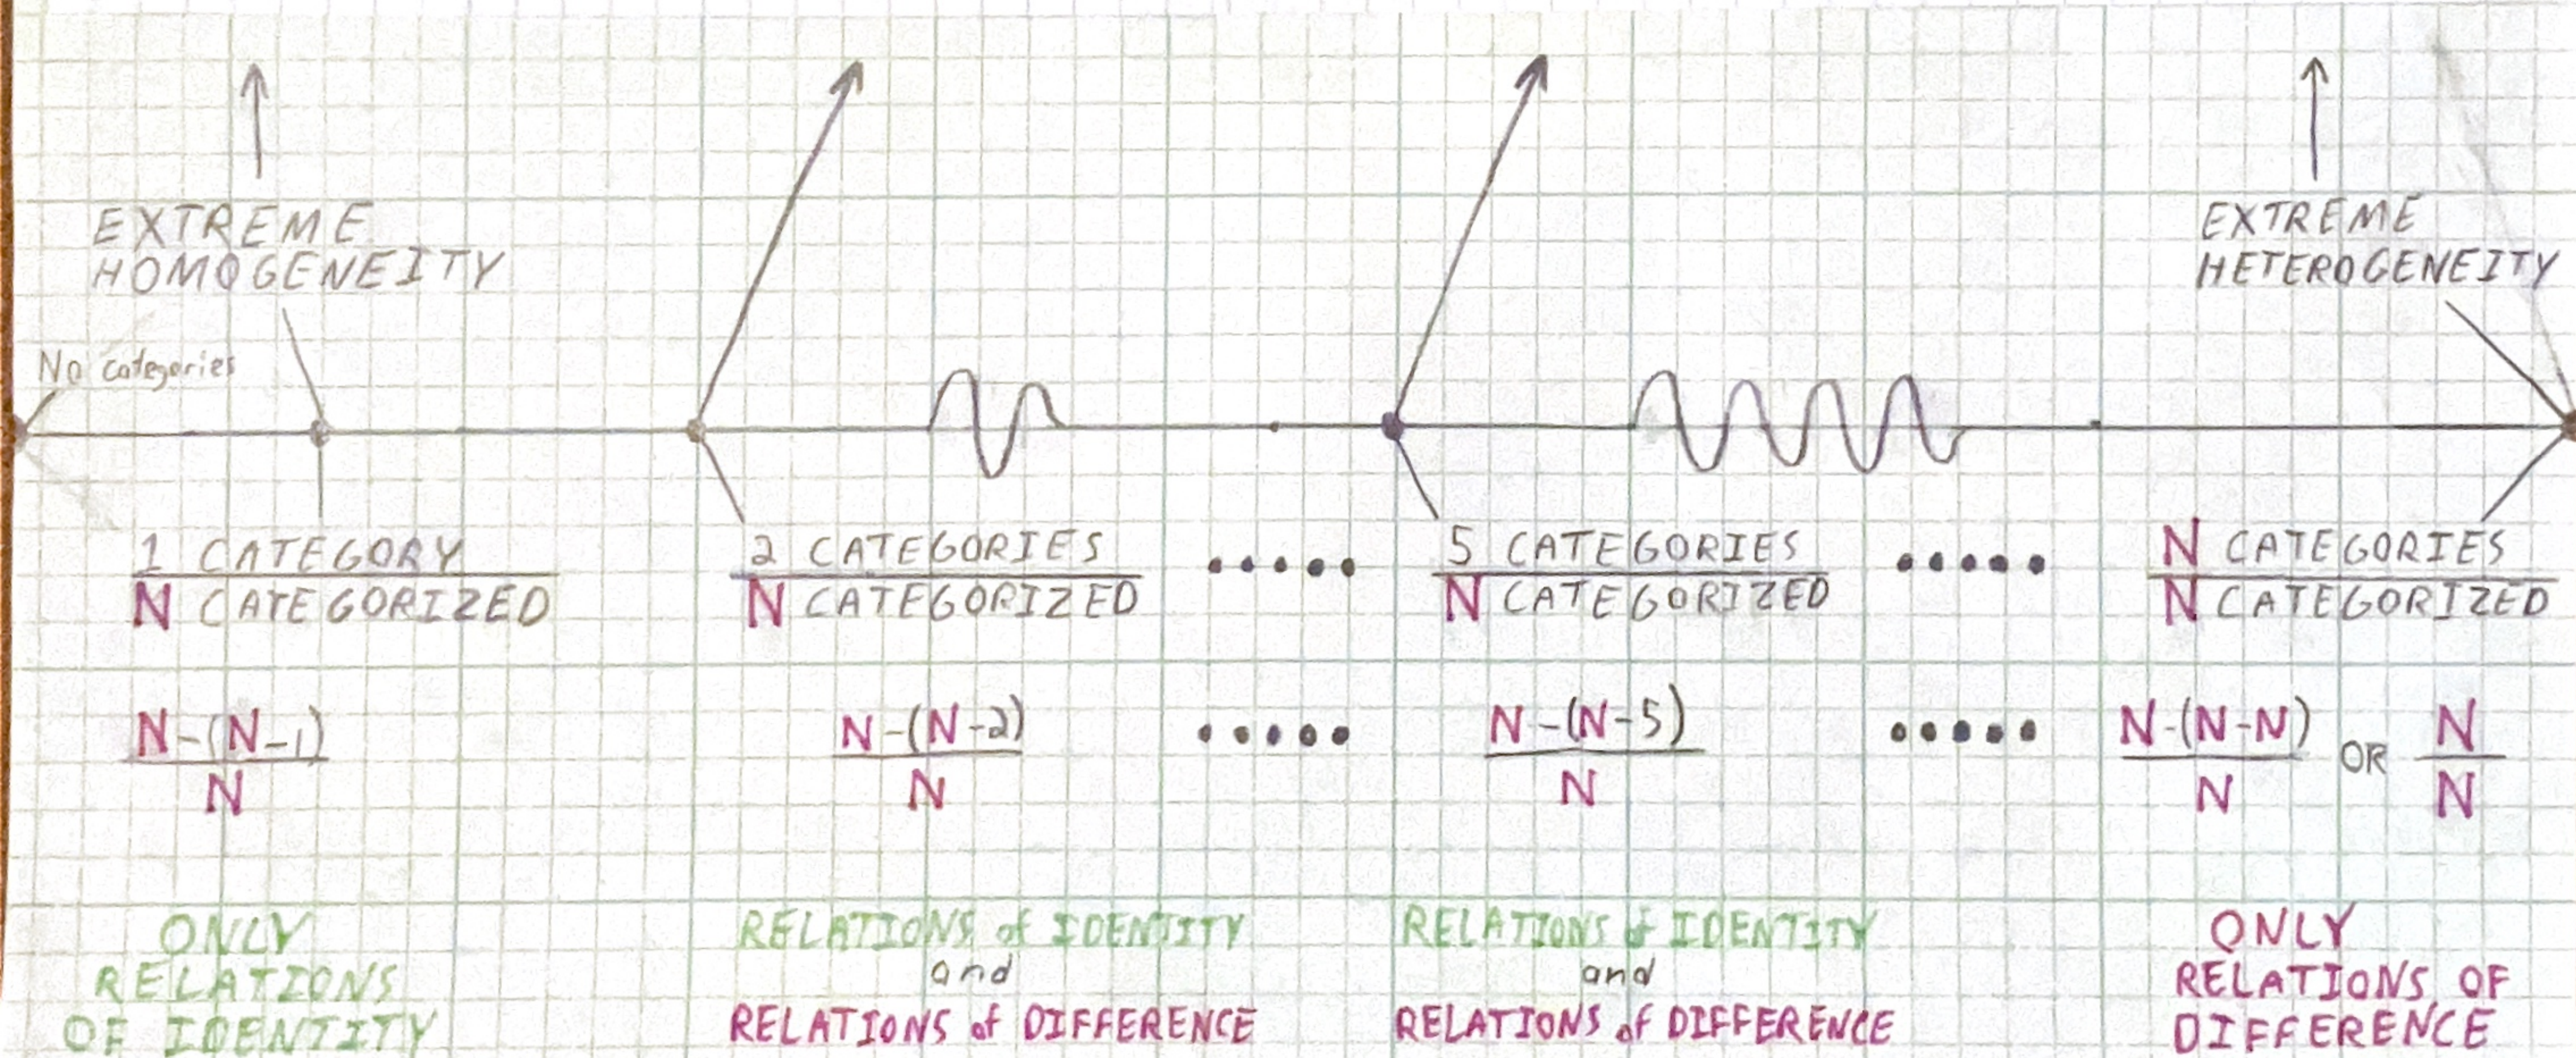

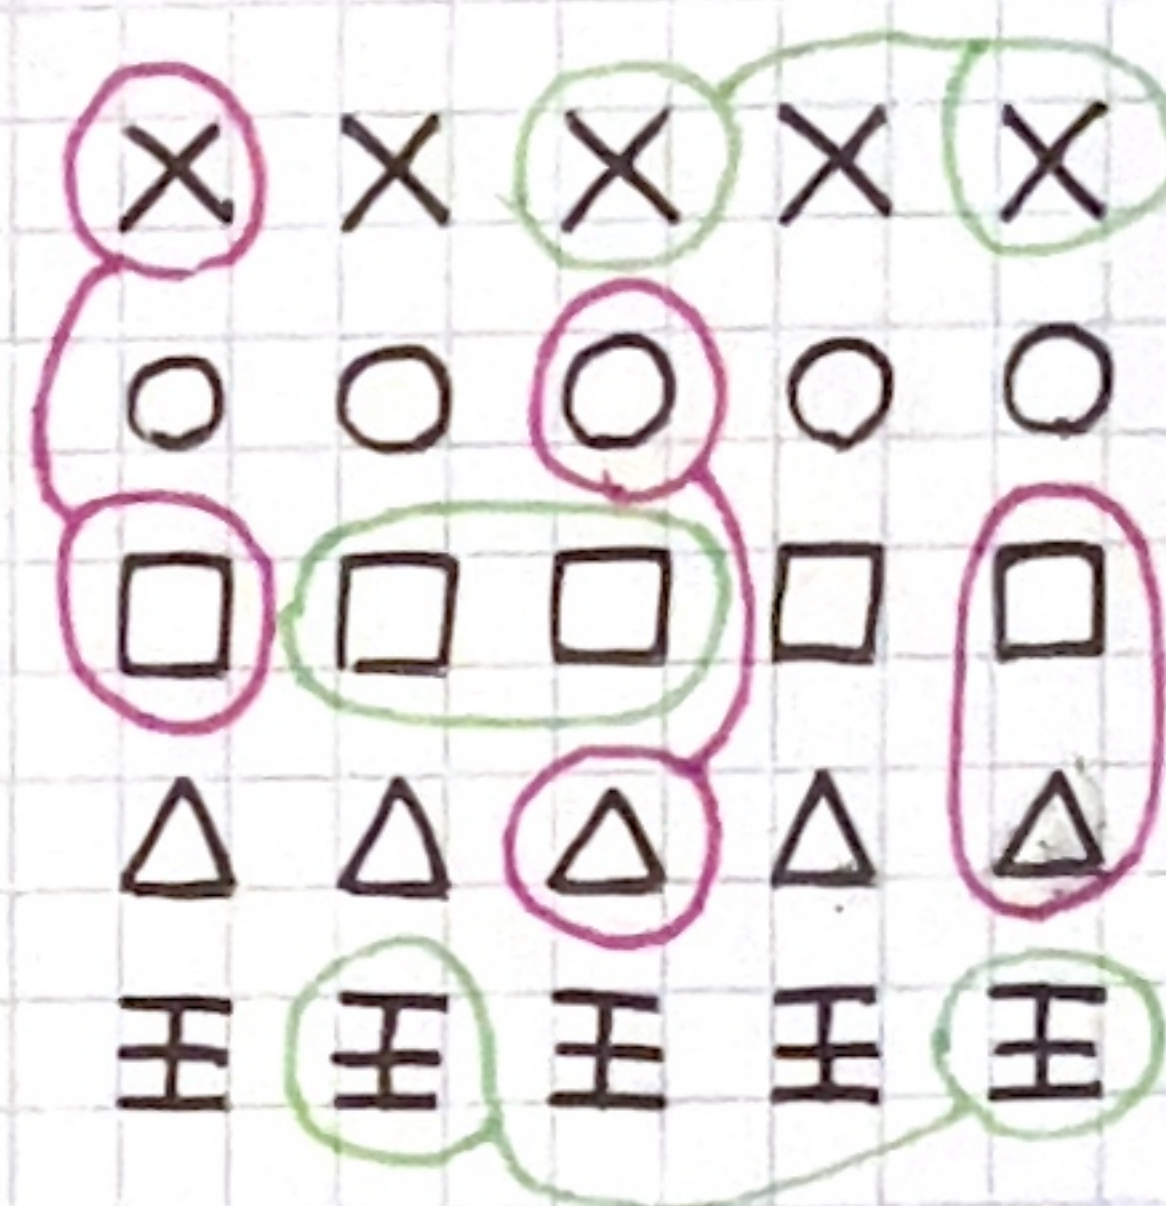

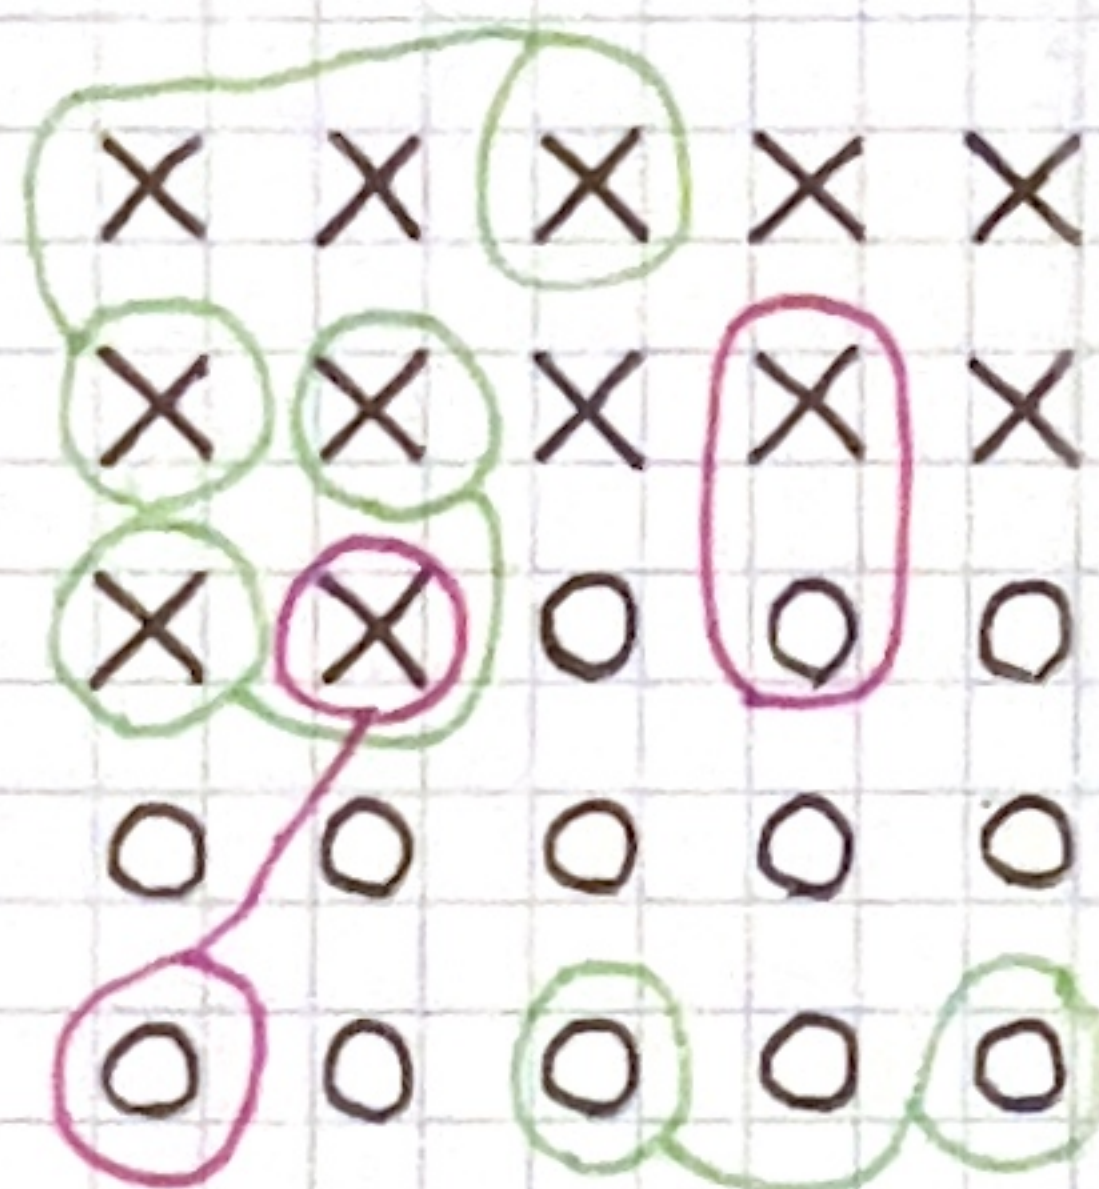

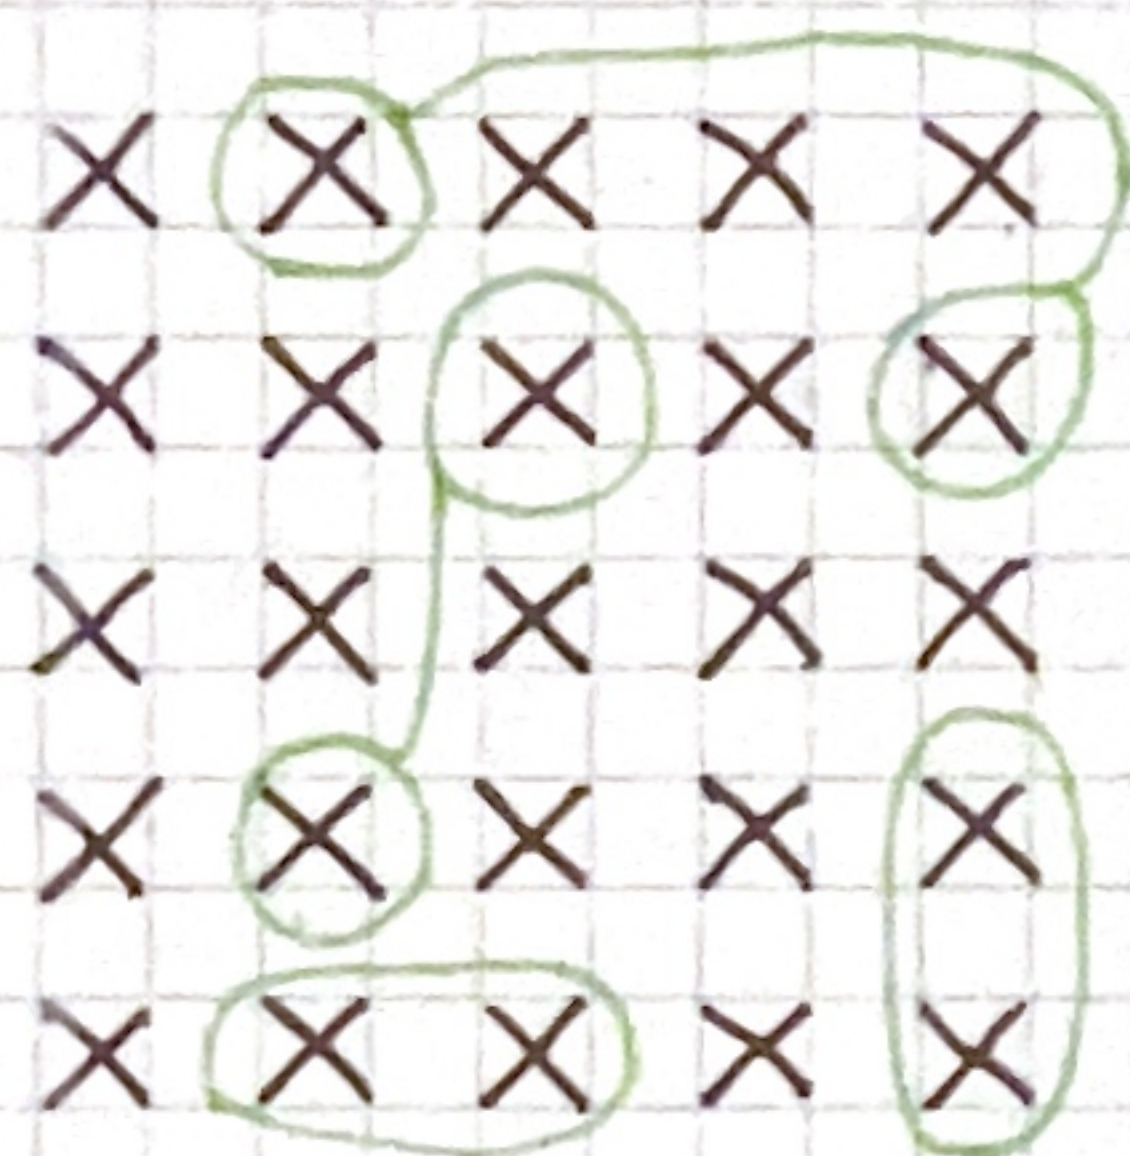

No
intrinsic
relational
difference

No
intrinsic
relational
difference

○ = Identical ○ = Different

N = Units (persons, nodes, items)

ITEM 18B

Structure
is enabled by
(meta) difference

between relations
between its
units. There needs
to be the presence of
a relation of
identity between
units, as well as
~~a relation~~ the
presence of a
relation of
difference
